WHEREAS, the Samahan ng mga Mag-aaral ng Pamantasang Ateneo de Davao (SAMAHAN) serves as the highest governing body of the undergraduate students of Ateneo de Davao University, entrusted with the responsibility of fostering student welfare, governance, and leadership;

WHEREAS, the formulation of a comprehensive Samahan Local Government Code will provide a structured framework for the establishment, operation, and governance of local student councils and organizations within the University, ensuring uniformity, transparency, and accountability in their functions;

WHEREAS, the absence of such a Code has led to inconsistent practices and policies among local councils, highlighting the need for a codified document to guide their operations and uphold democratic governance at all levels;

WHEREAS, the development of this Code aligns with the SAMAHAN's commitment to uphold the principles of good governance, subsidiarity, and representation in fostering a more cohesive and inclusive student body;

WHEREAS, the creation of the Samahan Local Government Code will not impede the autonomy of local councils, as they will retain the authority to craft and adopt their respective bylaws, provided these align with the principles and provisions of the Code;

WHEREAS, engaging the SAMAHAN Central Board to spearhead this initiative will ensure that the Code is reflective of the diverse needs and perspectives of the undergraduate students, fostering participatory governance;
